**Attorney General's office reaches agreement to dispose of Dr. Earl Bradley's property**

**Wilmington** – Attorney General Beau Biden announced today that his office has reached an agreement to prevent property belonging to Dr. Earl Bradley from being sold at a public auction this week.

"I want to thank Secure Self Storage for agreeing to turn the property over to the State at a financial loss," Biden said.

Secure Self Storage in Rehoboth Beach had planned a public auction this week to sell property Bradley had been keeping in storage there to satisfy a lien against him for unpaid rental fees. Instead, the company has agreed to sell the property to the State for the nominal sum of \$1.

State officials will dispose of the property at a later date.
